The United States, by and through Daniel G. Bogden, United States Attorney for the District of Nevada, and Sarah E. Griswold, Assistant United States Attorney, hereby submits this Notice Regarding Defendant's Set of Trial Exhibits.

The United States provided pro se defendant Brett Depue with a set of Government's Proposed Trial Exhibits before the commencement of the third trial in this case. The vast majority of these exhibits were introduced into evidence at trial. Defendant did not introduce any of his own exhibits. After the jury returned its verdicts and defendant was remanded into custody and removed from the courtroom, defendant's set of exhibits remained on a chair at defense table. Standby counsel Angela Dows indicated to the courtroom administrator, the

1 court reporter, and the undersigned that she would take custody of the exhibits and maintain  
2 them for defendant or an attorney who may be appointed to represent defendant on appeal. The  
3 United States hereby files this Notice to ensure that the defendant is aware of the location of his  
4 set of trial exhibits.

5 Respectfully submitted August 3, 2015.
